Celebrating Diversity Through Dance

Wildfire Rising Bristol

Associate Artist Programme

Application Questions

'Wildfire Rising' is an associate artist programme that aims to remove barriers of inequality by investing in and supporting dance artists from the Global Majority to make way for the rising of their artistry, representation and development.

To apply, please answer the following questions on this form, or answer the questions in email, or through submitting a video/audio file with your answers to: **katy@movema.co.uk** by **5pm Friday 12 April**

1. Your full name
2. Your address and postcode
3. Your phone number
4. Your email address
5. What are your preferred gender pronouns?

She/Her

He/Him

They/Their

Other:

6. Do you have any access or support requirements when communicating with us or attending an interview?*

*These might be due to a disability, neurodiversity, language or any other reason. We ask this question so that we can best support you in the recruitment process and in any future engagement with us.

Yes

No

If Yes, please give details below so that we can ensure we can best support you during your engagement with us. (For example if you require step free access, communication in different formats etc.)

7. How would you describe your dance practice? Eg. What has your artistic journey been so far? *

8. Why do you feel this is the right point in your career to engage in the Wildfire Rising programme? *

9. What professional development support do you feel you need right now? *

10. If you are applying for the Children and Young People or the Vulnerable Communities specialism, please tell us how

your practice connects with the communities Movema works with: families, young people, people seeking asylum, refugees and vulnerable migrants and people experiencing mental health issues and outdoor events.

11. Please share one link that shows your artistic work (A website, film, video trailer or other). * Or alternatively send us a document as an attachment to katy@movema.co.uk
